

HORNOR FAMILY

Fall 2017

Dear Pastor and Church Family,
 We rejoice in the Lord for the privilege of serving Him these past three months. We are very grateful for your prayers and participation in what the Lord is doing.

AUGUST

Family retreat in the mountains

Grateful to the Lord for another year of classes. Jésed and Sara are in 4th grade, Mariana is in 2nd grade, and Brandon and Adel began K-4.

Also, we are very grateful to the Lord for another year of life He has allowed Mariana to have. She turned 7 on Sept. 16th.

SEPTEMBER

Good number of visitors and members came to celebrate the freedom we have in Christ. Church family from *Jesús Salva* also came to be a part of the special service.

As the top picture illustrates, the road in front of *Jesús Salva* is going to be paved. In August the city began the project and hopefully by Dec. they will have finished. This has created a little inconvenience in that the church is a little harder to access. We have prayed that this will not hinder visitors, and the Lord has been faithful as we have still had visitors come. The bottom picture is the side entrance we had made.

OCTOBER

Since camp in July, there has been an increase in number in the regular youth activities, and for that we are grateful. Please continue to help us pray for two of our youth who have made other decisions that have affected their walk with the Lord.

Praises/Prayer Requests

- For *Jesús Salva* that visitors will still come in spite of the road conditions
- Salvation of three ladies that have been visiting faithfully
- Wisdom and grace to continue ministering in our community.
- Full-time pastor in a sister church in *Navolato*. We have been "filling the pulpit" for that church since March.
- For fruit that will remain as we continue to reach the lost
- Full recuperation of our Sister *Benita* from heart surgery
