

WORLDWIDE MILITARY BAPTIST MISSIONS
FAITH BAPTIST CHURCH, BELLEVILLE, IL
NOVEMBER 2017

Dear Prayer Partners & Co-laborers in Christ,

Donald J. Trump, President of the United States of America, and the Commander-in-Chief of the Armed Forces, has signed an Official Proclamation Designating November 2017 as **“National Veterans & Military Families Month.”** This honors our 21 million military veterans who have served in the United States Armed Forces and the current 2.3 million Active Duty, Reserve and Guard personnel that are serving our nation

on bases, stations and ships around the world. **These are they who would give the ultimate sacrifice of their lives for our freedoms. Our Veterans are our heroes!**

Therefore, let us **honor** our troops this month of November and **support** them for protecting our nation from evil nations and armies who are trying to destroy it. The least we can do is to afford them the opportunity to hear and read the Gospel of Christ and be gloriously saved. Amen! Likewise, WMBM **honors** all those who are reading this letter and who pray for and support our cause of military evangelism as we reach our troops and veterans for Christ. **Please pray for the salvation, safety and well-being of our veterans and troops. May they be saved before they perish.**

✝ We love supporting & sustaining military missionaries who are reaching our military training bases at Fort Leonard Wood, MO, and Fort Benning, GA, with the Gospel of Christ.

Antonio Got Saved!

Through your prayers and ours, **Pastor Donnie Ball and his Brother Mike Ball, and the members of Tabernacle Baptist Church in Lebanon, MO,** have ministered to Soldiers attending Boot Camp on Fort Leonard Wood. **They currently bring in over 300 soldiers a month & more than 100 soldiers will make a profession of faith in Jesus Christ! Amen! God can reach a young man’s or lady’s heart while going through boot camp knowing that they will be deployed & could possibly die in a war zone!**

Likewise, God has continued to open effectual doors for military evangelism for **Dan & Kelly Kursinsky** (on right) who successfully minister to troops going through basic combat training at Fort Benning, GA. **They have been working on the base for many years and have lead scores of Soldiers to Christ this year. Please pray for God to bless these two great military ministries!**

✝ **Our Lord called Dr. Jim Vineyard home to heaven on October 22, 2017.** We honored and supported Dr. Vineyard for many years. He was a soulwinner, a **“warrior”** Army veteran, a pastor and the founder of the **“Friend of Israel”** ministry.

His greatest quest in his later years was to be a friend to the Jews while ministering Christ to their souls. **Dr. Vineyard was dearly loved and respected by the service members of the Israeli Defense Forces (IDF).** He fought by their side during combat operations against terrorist forces in southern Israel. Determined to be a blessing to God’s chosen people, he began to deliver humanitarian aid and to encourage Israeli soldiers & the families of fallen soldiers. Soon after, the IDF was receiving the Gospel of Jesus Christ! **Please pray for Mrs. Vineyard, their family and loved ones during this time of great loss of a husband, father and friend of Israel. We will greatly miss him.**

And finally, brethren, **“PRAY FOR US”** (I Thes 5:25). We continue to preach and teach Jesus Christ. And it is all because you care enough to pray and provide for us at Worldwide Military Baptist Missions as we sow the seed of the Gospel of Christ and disciple those who are saved. **May God bless you for all you do for WMBM!**
